

Which forms collect personal data?

Free beat Download link , Donate link, Contact link, All Purchases.

What personal data do we collect and why?

When visitors or users submit a form, we capture the IP Address for spam protection. We also capture the email address and might capture other personal data included in the Form fields.

How long we retain your data

When visitors or users submit a form we retain the data for 30 days.

Where we send your data

All collected data might be shown publicly and we send it to our workers or contractors to perform necessary actions based on the form submission.

Third Parties

We use Google reCAPTCHA for spam protection. Their privacy policy can be found here :
